Agape Recognized as one of "America's Best Addiction Treatment Centers" in 2026 by Newsweek

MIAMI, FL – October 12, 2026 – Agape Network announces that it has been recognized by Newsweek as one of "America's Best Addiction Treatment Centers" in 2026 as the top-ranked facility in Miami.

Newsweek's annual list of "America's Best Addiction Treatment Centers" recognizes the nation's top facilities based on quality of care, service, accommodation, and amenities. Facilities in the Nation with the highest number of addiction treatment centers, according to the Substance Abuse and Mental Health Services Administration (SAMHSA), were included in the survey. This year's rankings feature the top 440 inpatient/residential and long-term addiction treatment centers.

"At Agape, it is our guiding principle to help individuals reach their full God given potential and restore families through psychological, social, physical, and spiritual health," said Claudio M. Perez, CEO of Agape Network. "We are deeply grateful and honored to be recognized on the 2026 Newsweek list of Best Addiction Treatment Centers; it is a testament to our entire team's commitment to see individuals and families transformed by Agape Love and Healthcare."

Agape provides holistic, value-based quality care that features a unique treatment model aimed to heal the body, mind and spirit. Agape's team of experts embody an evidence-based physical and behavioral approach that incorporates a variety of hands-on programs such as gardening, computers, culinary arts, dance, faith and more.

With a highly specialized staff consisting of more than 150 staff members, Agape's team features physicians, board certified addiction specialists (child and adult), psychiatrists, therapists, licensed clinical social workers, care managers, chaplains, advanced nurse practitioners, benefits eligibility determination specialists, registered dieticians, peer specialists and more to best fit each patient's unique needs.

Located in Miami-Dade County, Agape's facilities feature a state-of-the-art six-acre health center with residential inpatient and outpatient services located in South Dade, an eight-acre campus located on Old Cutler Road, and various on-site locations across the county to best serve the needs of the community.
